Introducing:

Save at School Accounts

At Washington Federal, we've been helping our neighbors save for the future since we were founded nearly a century ago. We'd like to help you teach your children the habit and value of saving money with a "Save at School" account:

- **Minimum \$5 deposit to open an account.**
- **We'll add \$5 to each new student's account!**
- **Your child can make deposits at school on designated "Bank Days."**
- **No fees, no minimum balance to earn interest.**
- **School accounts earn a healthy 0.15% Annual Percentage Yield. (This variable rate can change after the account is opened.)***
- **Students can keep track of their deposits with register books and reusable envelopes we provide.**
- **Parents receive quarterly statements by mail.**
- **Withdrawals must be made in person at a branch.**
- **Bank with us at over 180 locations in eight western states.**

We have the financial strength you can trust to be here today and tomorrow! To get started, simply complete the account form and turn it in with the opening deposit of \$5. Then we'll send home a register book and deposit envelope.

Bank Days will be:
